

# SubCommittee Membership Form

## About The SubCommittee

The SubCommittee is a group of people sharing a common interest in submarines. This interest is primarily in the areas of static and radio-controlled models, history, submarine design, and memorabilia collecting.

Direct contact between members is encouraged...by phone, letter, e-mail, and through the quarterly magazine *The SubCommittee Report*. The SubCommittee is at its core an information network of friends helping friends. Additionally, local model submarine regattas are held by a number of the local chapters, culminating in the annual International SubRegatta.

The SubCommittee is a non-profit organization and is not affiliated with any vendor or manufacturer.

Membership in The SubCommittee runs from January to December of a given year. Payment of dues will guarantee that you will receive all four issues of *The SubCommittee Report* for the current year without regard to when you join. All issues are made available in Adobe® Acrobat® PDF format and are downloadable via the SubCommittee forum.

**Starting with the 2012 membership year there is now one world-wide membership rate of US\$15.00.**

There are two ways to send in your membership payment:

1) Payment may be made directly through the SubCommittee website (<http://www.subcommittee.com/join.cfm>) which uses PayPal for secure transactions, or

2) Payment can be made with check, money order or credit card with the funds payable to "The SubCommittee." If using this payment option, please fill out this form and return it with your payment to the Membership Chairman.
